WIDENER AI DAY MARCH 21

AI Day Website

AI Day 2025 Competition: Get Creative!

Widener University is hosting its AI Day competition on March 21st. Unleash your inner innovator and transform your wildest ideas into reality using AI. No prior AI experience is needed!

The focus is on the process, not the final product. Your project doesn't even need to be finished.

Submission Deadline: March 14th

1 Who can participate?

All Widener University students, faculty, and staff.

2 What to do?

Choose a category, engage with AI, and initiate a project that solves a problem using AI.

3 Several Prizes

Including a $500 grand prize winner for students!

4 Get Started!
